Honorable members of the Housing Committee:

My name is Nancy Nishball and I fully support the concept of fair and equal housing opportunities for all.

However, I am upset after learning that anyone accused of violating the CT Fair Housing Law does not have equal protections under our current statutes that the accuser has and think this is "Unfair" and needs to be fixed.

I encourage you to vote in favor of **House Bill 5342** as it was originally intended and extend to owners the right to one appeal if they choose to have an administrative hearing as currently tenants have unlimited appeal rights (reconsideration) and owners have none.

Please contact me if you wish to discuss this matter further.

Thank You
